THANK YOU

I would like to thank everyone who attended to me after my fall outside of the Community Center on August 17. First, thank you to Brenda Drager who heard my call for help. She then had Bruce & Tim Helgeson arrive and could see my left eye swelling first and my left knee was making a fast bruising. So, at that time they decided I should be taken to Avera Marshall by ambulance. That was fine with me so, thank you so much for your input and expertise in all of you. We are very pleased to have you in this community.

Thanks so much and God Bless
